

Save Water, Save Life

RİVA MED

Suyu Korum, Hayatı Korum

RIVAMED hemodialysis water treatment systems meet with the European Pharmacopoeia, AAMI, ANSI, and ISO standards.

52 LOCATIONS WORLDWIDE

A light blue world map with 52 location pins. The pins are concentrated in Europe, Africa, and Asia, with a few in South America. Each pin features the RIVA MED logo, which consists of a stylized 'RM' inside a hexagon.

RIVA MED

have been installed systems:

300+ Dialysis Center

26 countries

Manufacture & turn-key solutions

MDD 93/42/EEC

MDR 2017/745

24/7 technical service

After-sales support

Hemodialysis

Home dialysis

Field hospitals
